The following Rules are published for general information :—

Rules for the examination of Lime Juice.

1. All applications for the examination of Lime Juice intended for sale for the use of ships' crews must be addressed to the Inspector of Antiscorbutics at the Custom House, and must state where the Lime Juice is stored. The Inspector of Antiscorbutics will then appoint a time to examine the same.

3. The Lime Juice shall be fortified with 15 per centum (calculated at London-proof) of proper and palatable spirits, and shall be bottled in bottles of reputed quart size counting by measurement six to the gallon, and after being properly sealed, shall be secured by the approved label being fastened round the neck and on the seal of the bottle.

The label shall be of a yellow color and bear the following inscription :—

LIME JUICE.

Certified fit for Ships' use.

Inspector of Antiscorbutics.

4. Lime Juice to which duty-paid spirits shall be added, can at once be removed to the vendor's stores immediately after attachment of the label.

5. Lime Juice to which duty-free spirits are to be added must be deposited in a Licensed Warehouse, either by the owner making arrangements for such deposit with some one who has already a License for a Warehouse for storing wines and spirits, or else by his taking out a License for a Warehouse himself under the terms of Act VI. of 1863—The Consolidated Customs' Act.

6. Lime Juice to which duty-free spirits are to be added, shall be dealt with as regards fortifying, bottling, and labelling, as laid down in Rules 2 and 3, but must be kept in a Licensed Warehouse.

7. Lime Juice landed for rectification with spirits duty-free from a Licensed Warehouse under engagement to re-ship, must be dealt with as regards the fortifying and labelling under Rules 2 and 3, and be re-shipped under the terms of Section 183, Act VI. of 1863.

FORT WILLIAM,
The 16th November 1869.

Offg. Under-Secy. to the Govt. of Bengal.

(F)

ties will be granted only in the name of such purchaser, and the securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11. The Officer superintending the sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall, on demand, tender at the time a deposit either in Government of India Notes, Bank of Bengal receipts, or Government securities, a sum equal to the amount for which a Promissory Note would otherwise be taken under the fifth of these Conditions.

12. With a view to prevent fictitious biddings designed to obstruct the sale, it is hereby notified that the Officer of Government superintending the sale shall be competent, at any time during the sale, to withdraw any unsold lot, and immediately to put it up again for sale at a maximum upset price diminishing the same gradually until a bid is obtained, and the first *bonâ fide* bidder for a lot after it has been offered for sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the Officer of Government superintending the sale shall also be competent to dispose, in the same manner, of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 800 Rupees specified in the second of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession, at the same price and under the same conditions, any number of lots of the same Agency Opium not exceeding altogether twenty-five lots, provided always that there remain a sufficient number of lots of the Opium to complete the said twenty-five.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the High Court of Judicature at Fort William in Bengal.

15. The following papers will be exhibited for inspection on the day of sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue:—No. 1, Certificate of the Opium advertised for sale. No. 2, Report of the examination of such Opium.

16. The public are hereby informed that in providing the investment of the Behar and Benares Opium for the year 1868-69, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account, of the weight of the drug when packed at Behar and Benares, and a statement of the average weight of the chests, indiscriminately taken for the purpose of comparison from the despatches on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue.

17. Any further information respecting weight or quality of the Opium advertised for sale that may be desired by parties connected with the trade, will, as heretofore, be furnished to them on application at the Office of the Board of Revenue. But, in accordance with established usage, under no circumstances will the Board entertain or recognise any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium or adulteration of the drug, which may be preferred on reference to chests, after the sale and delivery of the Opium for shipment.

18. It is hereby further notified that, under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents of India in the French Government, or persons duly appointed by them, are entitled to demand, that out of the quantities of Behar and Benares Opium declared as above for sale at the twelve sales of the year 1870, there shall be delivered to them, at the average of the particular sale or sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 chests, and the Agents of the French Government must make requisition specifying the quantity of Opium required by them at any particular sale, within thirty days from the advertisement of such intended sale, provided, however, that the Agents of the French Government may make such requisition for the whole quantity within thirty days from the publication of this notification. If the Agents of the French Government shall not make the requisition for Opium within the time above mentioned, the entire quantity of about 48,000 chests of Behar and Benares as above estimated, will be brought to sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for sale at each or any of the twelve sales abovementioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the sale next ensuing the date of payment, or by selling it at a sale to be held expressly for the purpose.
